25X1 10. [] Talked with Bill Woodruff, Senate Appropriations Committee staff, and Bob Michaels, House Appropriations Committee staff, about the matter of funding [] pending the approval of our appropriation. They advised that it was their feeling that this should be accomplished by month to month contingency withdrawals from the reserves. These withdrawals would be replaced when action is taken on our appropriations. Mr. John Clarke, ~~25X1~~ ~~25X1A~~ ~~25X1B~~, has been advised and we will draft appropriate language to accomplish this.

25X1 12. [] Made arrangements for J. Sourwine, Chief Counsel, Senate Subcommittee on Internal Security, and two of his associates in the Subcommittee staff to have a conference with [] tomorrow ~~25X1A~~ ~~25X1B~~ afternoon. [], WH Division, and I will also be present.

25X1 13. [] Met with Lawrence Baskir, Staff Director, Senator Ervin's Subcommittee on Constitutional Rights, and received from him a copy of the transcript of the Director's appearance before the Subcommittee on Tuesday, 22 July. It was agreed, unless other considerations are interposed later by Chairman Ervin, that this copy will be retained by the Agency and at such time as corrections are completed they will be transferred to the Subcommittee's master copy. No deadline was set for return of Agency corrections. On the matter of deadline, Mr. Baskir noted partially in jest that "since the Agency is obviously reluctant to publish the hearing" he would not set a date on his own authority.

I talked to Mr. Baskir later in the day concerning the classification of the transcript. Mr. Baskir advised that he would stamp the Subcommittee's copy "Confidential" and treat it as classified material. He also advised that he is ordering additional copies for the Subcommittee and will try to provide two additional copies for Agency use.

OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 16 July 1969

25X1 1. [] Hand carried to Mr. Ed Hartung, Minority Counsel to the Senate Appropriations Committee, a copy of an intelligence report entitled The Technological Gap: The USSR versus the U.S. and Western Europe. This was provided in response to a request Mr. Hartung made to the Air Force. Hartung said he was preparing a letter and was hopeful that this report would be helpful in providing him with background information. Should he decide to draw on any information contained in the report, he will submit his letter to us in advance for security review.

25X1 2. [] Talked with Jay Sourwine, on the staff of the Senate Subcommittee on Internal Security, about his request of yesterday which was based on a newspaper column by Paul Scott. I told Sourwine that, since Senator Jackson was a member of our Subcommittee, he had access to a substantial amount of Agency information but it appeared that in his speech on the Senate floor the other day he had drawn principally on unclassified material which we had provided him on members of the Politburo. I told Sourwine we would be happy to provide him with this information. Sourwine said he had just returned from lunch with Paul Scott, who informed him that there was much more information in the Agency report used by Jackson than he had used in his column. Scott told Sourwine that information on the [] was contained in the Agency material but had not been used by Jackson. 25X1A

25X1A Mr. Sourwine said he would like to make the usual request for access to [] "if and when he might be available to the Committee." He added that, since [] had talked to the Christian Science Monitor, he assumed that he could talk with the Subcommittee. I told Sourwine I would check on this and call him back. 25X1A
